ALL-COUNTY LETTER NO. 83-92

TO: ALL-COUNTY WELFARE DIRECTORS

SUBJECT: REVISION TO FOOD STAMP TABLES OF COUPON ISSUANCE, NEW STANDARD DEDUCTION AND NEW MAXIMUM DEPENDENT CARE/EXCESS SHELTER DEDUCTION

This letter provides an advance copy of the Table of Coupon Issuance and Standard Deduction and Dependent Care/Excess Shelter Deductions effective beginning with the October 1983 allotment.

The Thrifty Food Plan did not change for two, three and four-person households, while one, five, six and seven-person households increased by one dollar, and all other household sizes increased by two dollars. The standard deduction has been increased to \$89.00 and the maximum allowable dependent care/excess shelter deduction has been increased to \$125.00.

Attached are the English, Spanish and Vietnamese versions of the required mass change notice to be sent to all food stamp households. The notice should be mailed concurrent with the October allotment.

These handbook changes are expected to be distributed to all holders of the Food Stamp Manual by September 30, 1983. If any other change is to take effect with the October allotment, as always, the Food Stamp Notice of Action, DFA 377.1 must be used to provide individual notice.

If you have any questions regarding these changes, please contact your Food Stamp Program Operations Consultant at (916) 322-5475.

IMPORTANT NOTICE

PLEASE READ

This is to inform you that your October allotment will reflect the cost-of-living increase based on the Consumer Price Index and the home-ownership component of shelter costs for all urban consumers. The Thrifty Food Plan, the standard deduction and maximum allowable dependent care/excess shelter deduction have been increased effective October 1, 1983.

Benefits have been increased for all households by one to seven dollars, depending on your individual circumstances, except there will be no increase for two, three and four-person households who already receive the maximum allotment.

If you already have been notified that other changes to your benefits will take place in October, the cost-of-living change will be in addition to those changes.

If you believe we made a mistake in your October benefit level, you may request a state hearing before a Hearing Officer of the State Department of Social Services. If you decide to ask for a hearing, YOU MUST DO SO WITHIN 90 DAYS OF THE MAILING OF THIS NOTICE.

If you request a state hearing your benefits will not change before the hearing decision. If the hearing decision determines that you received less food stamps than you should have, you will be paid back at a later date.

The best way to request a hearing is to WRITE to:

Department of Social Services  
Office of the Chief Referee  
744 P Street, M.S. 6-100

or call toll free: 1-800-952-5253

FOR THE DEAF ONLY: TDD-800-952-8349

El Plan Económico de Alimentación (Thrifty Food Plan), la deducción ordinaria y el máximo permitido por cuidado de personas a su cargo/deducción por gastos excesivos de vivienda han sido aumentados a partir del 1 de octubre de 1983.

Los beneficios para todos los hogares han sido aumentados de uno a siete dólares dependiendo de sus circunstancias individuales, exceptuando a los hogares que constan de dos, tres y cuatro personas que ya reciben la asignación máxima.

## INFORMATION FOR COMPUTING FOOD STAMP ALLOTMENTS

October 1, 1983

48 States and the District of Columbia

To determine a household's food stamp coupon allotment using the Basis of Coupon Issuance Tables:

- 1) Calculate the household's net monthly income.
- 2) Compare the household's net monthly income to the maximum allowable net monthly income standard, Column C, below.
- 3) If the household's net monthly income is larger than the figure shown in Column C the household is ineligible.
- 4) If the household's net monthly income is smaller than or equal to the figure shown in Column C the household is eligible. Find the allotment by reading in the table down to the appropriate income and across to the appropriate household size.

To calculate the allotment manually (in lieu of step 4 above) or if the household is size 21 or larger:

- 1) Multiply the net monthly income by 30 percent;
- 2) Round the product up to the next whole dollar if it ends in 1-99 cents.
- 3) To obtain the allotment, subtract the result from the Thrifty Food Plan, Column D, for the appropriate household size. However if the computation results in \$1, \$3 or \$5, round up to \$2, \$4 or \$6, respectively.
- 5) If the allotment is for a one or two-person household, and is less than \$10, round up to the minimum allotment of \$10.
